

## Josh R. Clark

### Associate

Josh is a skilled professional with strong data analysis, financial modeling, and project management skills. Josh's experience includes a background in real estate, construction finance, commercial lending, and the structuring of multi-lender credit facilities. His lending background provides a valuable perspective to clients involved in loan workouts, debt restructuring, and recapitalizations.

Josh utilizes his experience to provide cash flow projections, financial analysis, and the successful achievement of client objectives.

Josh has managed the installation and implementation of a loan accounting and servicing software, a contact relationship management system, and has been responsible for the successful development and implementation of scorecards and other financial reporting tools. His experience also includes the sale, management, and coordination of loan participations in a \$65 million loan portfolio.

Josh is a graduate of St. John's University in Collegeville, MN where he earned his BA in Economics and History. When he is not at work you can find Josh at the lake where he enjoys spending quality time with family and friends. In the summer Josh spends much of his time on the golf course, and in the winter months he enjoys men's league hockey, skiing, and ice fishing.
